

## Updated Summer Seed List 27/07/2008

### ***Byblis* (Rainbow Plants)**

*B. Filifolia* branching, Cave Spring, Kimberley W.A

*B. Filifolia*, Gibb Range, Kimberley

*B. lamellata* = *B. gigantea*, North form Eneabba

*B. liniflora*

*B. rorida* Lake Campion Kimberley W.A

*There is a small amount of GA3 impregnated paper available, which will be sent on request, with any Byblis seed that requires it for germination, at no extra cost while stock lasts.*

### ***Cephalotus follicularis* (the Albany pitcher)**

### ***Darlingtonia Californica* (cobra lily)**

### ***Dionaea Muscipula* (Venus fly trap)**

*D. muscipula* typical

*D. muscipula* mixed some red plants

### ***Drosera* (sundews)**

*D. adaleae*

*D. admirabilis*

*D. admirabilis* (small form)

*D. admirabilis* Ceres R.S.A

*D. admirabilis* sp floating

*D. affinis*  
*D. affinis* Namibia  
*D. aliciae*  
*D. anglica*  
*D. anglica* Kanaele bog Hawaii  
*D. anglica* type A  
*D. anglica* type b  
*D. arcturi* Mt. Baw Baw, Vic  
*D. arcturi* Hartz mountains, Tasmania  
*D. auriculata*  
*D. auriculata* Anglesea Vic  
*D. auriculata*, Brisbane Ranges  
*D. auriculata* Gisborne Vic  
*D. auriculata* (sub alpine red form) Grampians Vic  
*D. auriculata* The Gurdies, Vic  
*D. auriculata* BG Munich  
*D. auriculata* (Jamieson Vic)  
*D. auriculata* New Zealand  
*D. auriculata* Yass, NSW  
*D. biflora*  
*D. binata* 'T form'  
*D. binata* 'T form' Otaki Forks N.Z  
*D. binata* 'T form' Nr Mt Damper Tawanaki N.Z  
*D. binata* 'T form' Kepouatai Swamp, New Zealand  
*D. binata* {Blackheath Blue Mountains East Aus}  
*D. binata* (red plants) Waihohonu Desert Road NZ  
*D. binata* nr Mount Damper  
*D. binata* var *multifida*  
*D. brevifolia*  
*D. broomensis* Lagoon E. Of Broome Kimberley W.A  
*D. burkeanna*  
*D. burmanii*  
*D. burmanii* (Beerwah Queensland Aus)  
*D. burmanii* Hong Kong  
*D. burmanii* Humpty doo  
*D. burmanii* (Keep River)  
*D. burmanii* tumbling water

*D. caledonica* New Caledonia  
*D. capensis albino*  
*D. capensis* narrow leaf  
*D. capensis typical*  
*D. capensis* red form A  
*D. capensis* red form b  
*D. capensis* wide leaf  
*D. capillaris*  
*D. capillaris* Washington County Florida  
*D. cistiflora*  
*D. cistiflora* Darling RSA  
*D. closterostigma*  
*D. coccicaulis*  
*D. coccicaulis* albino form  
*D. collinsiae*  
*D. collinsiae* 'Fary land'  
*D. communis*  
*D. communis* Uberaba MG, Brazil  
*D. dichotoma*  
*D. dielsiana*  
*D. ericksoniae*  
*D. ericksoniae* white flower  
*D. erythrorhiza ssp magma*, Cataby W.A  
*D. filiformis ssp filiformis*  
*D. filiformis tracyii*  
*D. filiformis all red form*  
*D. foliosa*, Eyre Peninsula S.A  
*D. fulva* E. of Wirran Green  
*D. glanduligera*  
*D. granticola*  
*D. hilaris*  
*D. indica*  
*D. indica* Lime green, Yampi Peninsula, Kimberley W.A  
*D. indica* Africa  
*D. intermedia*  
*D. intermedia* (Algonquin Park Ontario Canada)

*D. intermedia* Big Audrey  
*D. intermedia* Carolina Giant  
*D. intermedia* Kalmthout Antwerp BE  
*D. intermedia* Pasco County Florida  
*D. intermedia* Portugal  
*D. intermedia* Sweden  
*D. intermedia* Tropical Brazil  
*D. keneallyi*, Theda Station, Kimberley, W.A.  
*D. leucoblata* Brookton  
*D. lowriei*, S.E of Hyden, W.A.  
*D. macrantha* ssp *planchonii*, Anglesea Vic  
*D. macrantha* ssp *planchonii*, Onkaparinga River S.A  
*D. madagascariensis*  
*D. menziesii*  
*D. menziesii* ssp *basifolia*  
*D. menziesii* ssp *menziesii*  
*D. menziesii* ssp *pencillaris*  
*D. menziesii* ssp *thysanosepala* (white flower)  
*D. montana* var *tormentosa* Diamantina Brazil  
*D. moorei*  
*D. natalensis*  
*D. nidiformis*  
*D. nidiformis* Magaliesburg S. Africa  
*D. oblanceolata* H.Kong  
*D. occidentalis* ssp *australis* Warriup  
*D. occidentalis* ssp *australis* 'warriup pink flower'  
*D. paradoxa*  
*D. pauciflora*, Stellensbosch S. Africa  
*D. peltata* Golden Green NZ  
*D. peltata* Northlands  
*D. peltata* Hong Kong  
*D. peltata* W.A form  
*D. peltata* var *foliosa* Langwarrin, Vic  
*D. peltata* var *foliosa* (dwarf form)Kuipto S.A  
*D. peltata* var *foliosa* The Gurdies, Vic  
*D. peltata* var *foliosa* Jamieson, Vic

*D. peltata* var *foliosa* Lysterfield Vic  
*D. peltata* var *foliosa* White flower Nr Canberra  
*D. peltata* var *gracilis* Anglesea, Vic  
*D. peltata* var *gracilis* Grampians, Vic  
*D. peltata* var *gracilis* Langwarrin, Vic  
*D. peltata* var *gracilis* (alpine form) Tuggeranong ACT  
*D. peltata* var *peltata* Anglesea Vic  
*D. peltata* var *peltata* Brisbane Ranges Vic  
*D. peltata* var *peltata* Inverleigh, Vic  
*D. petiolaris*, Lockhart River N. Queensland  
*D. platypoda*, Betty's Beach W.A.  
*D. pulchella*  
*D. pulchella* 58b  
*D. pulchella* pink flower  
*D. pygmea*  
*D. ramantacea*  
*D. ramellosa*  
*D. regia*  
*D. roraimae* Venezuela  
*D. rotundifolia*  
*D. rotundifolia* Type B  
*D. rotundifolia* type C  
*D. rotundifolia* type D  
*D. rubripetala*  
*D. rupicola*, Walker W.A  
*D. sessilifolia*  
*D. sessilifolia* Chapada Dos Guimares Brazil  
*D. slackii*  
*D. snyderi* (*D. dielsiana* x *D. nidiformis*)  
*D. spatulata* Arthurs Pass, South island, New Zealand  
*D. spatulata* Beenak Victoria  
*D. spatulata*, Desert Rd. Central North is. Plateau N.Z  
*D. spatulata* Northland Region, New Zealand  
*D. spatulata* Okinawa  
*D. spatulata* *lovellae*  
*D. spatulata* *loueirii* Hong Kong  
*D. spatulata* *rotundate*

*D. spatulata kansai*  
*D. spatulata Kanto*  
*D. spatulata Tamlin*  
*D. spec. Auyan Tepui*  
*D. spec. Chimanimni Mts (Zimbabwe Africa)*  
*D. Spec. S. Africa*  
*D. spec. Zimbabwe*  
*D. stolonifera*  
*D. stolonifera ssp stolonifera* (unknown form x Harvey form)  
*D. tormentosa var glabrata* Serra de canastra Brazil  
*D. trinervia*, Bainscloof RSA  
*D trinervia white flower*  
*D.villosa*  
*D. whittakeri ssp whittakeri, mixed forms*  
*D. whittakeri ssp whittakeri, Talisker USA*  
*D. venusta*  
*D. venusta George oudsthoorn*  
*Drosera mixed*

## ***Drosophyllum***

*lusitanicum*

## ***Genlisea* (corkscrew plants)**

*G.aurea*  
*G. filiformis*, Ibicoara NE Brazil  
*G. hispidula*  
*G. hispidula* Mkambati Nat. Res  
*G. hispidula* Transvaal

## ***Ibicella Lutea* (The devils claw)**

## ***Nepenthes* (monkey cup)**

*N. smilesii* , Phu Kradung, Thailand.  
*N. ramispina* x *N. sanguinea*

*N. ventrata* x *Rebecca soper* = (*ventrata* x *alata*) x (*gracillma* x *ventricosa*)  
*N.ventricosa* mixed clones

*N.* mixed species and hybrids

## ***Pinguicula* (butterworts)**

*P. grandiflora*

*P. grandiflora* sp 'rio ara'

*P. laeana* cp3x red flower

*P.laeana* red flower x cp3

*P. laeana* hybrid (other parent unknown)

*P. lusitanica*

*P. spec sumidero*

## ***Roridula***

*R. dentata*

*R. gorgonias*

*R. gorgonias*, Rohan river RSA

## ***Utricularia* (The bladderworts)**

*U. alpina*

*U. arenaria*

*U. calycifida*

*U. calycifida* (*Gran Sabana*)

*U. calycifida* white flower

*U. chrysantha*, yellow palate, Berry Springs N.T Australia

*U. heterosepala*

*U. lateriflora*

*U. longifolia*

*U longifolia* Serra De Araponga

*U. longifolia* Rio SE Brazil

*U. minutissima*  
*U. monanthos*  
*U. parthenopipes*  
*U. praelonga*  
*U. spec chapada Diamantina*  
*U. tridentata*  
*U. welwitschii*

*U. mixed*

## **Sarracenia (American pitcher plants)**

*S. alata* green form yellow flower  
*S. alata* red lid  
*S. alata* = (*S. alata* black tube x *alata* h.v/black throat)  
*S. flava* var *flava*  
*S. flava* = (*S. flava* red tube x *flava* var *cuprea*)  
*S. flava* = (*S. flava* slacks maxima x *flava rubricorpora* giant red tube)  
*S. flava* = (*S. flava* burgundy x *flava maxima*)  
*S. flava* = (*S. flava* x *flava* heavy veined)  
*S. flava* = (*S. flava* slacks maxima x *flava* var *maxima*)  
*S. flava* = (*flava rubricorpora* x *flava* var *ornata*)  
*S. flava* = (*S. flava* var *rugellii* x *flava claret*)  
*S. flava* McClellenville S, Carolina  
*S. flava* Apalachicola  
*S. flava* var *cuprea* copper top  
*S. flava* var *maxima* tall form  
*S. flava* x *flava* var *ornata*  
*S. flava* var *ornata*  
*S. flava* red tube  
*S. flava* red tube = (*S. flava* cv 'claret' x *flava* "giant red tube", Apalachicola)  
*S. flava* var *rugellii* = (*rugellii* M.K.f140b x *rugellii* M.K. f50)  
*S. flava* var *rubricorpora*  
*S. flava* red tube = (*S. flava* var *rubricorpora* x *flava* burgundy)

*S. flava rugelii* typ giant  
*S. flava ornata* Apalachicola  
*S. leucophylla*  
*S. leucophylla* (Adrian Slack clones)  
*S. leucophylla* = (*S. leucophylla citronelle* x *leuco purple/white* N.fla#)  
*S. leucophylla* Apalachicola, Florida  
*S. leucophylla* gas station site Perdido Alabama  
*S. leucophylla* Milton Florida  
*S. leucophylla* pubescent forms  
*S. leucophylla* pubescent Deer Park Alabama  
*S. leucophylla* 'Schnells Ghost' selfed  
*S. leucophylla* = (*S. leucophylla stocky* x *leucophylla purple white*)  
*S. minor*  
*S. minor* Okefenokee giant  
*S. minor okefenokeensis* (forms originally from Adrian Slack stock)  
*S. minor okefenokeensis* (forms originally from Alistair Culham stock)  
*S. minor* var Okefenokee giant, Ware county Georgia  
*S. oreophila*  
*S. oreophila* = (*S. oreophila purple throat* x *oreophila*)  
*S. oreophila* = (*S. oreophila h.v purple throat* x *oreophila*)  
*S. oreophila* = (*S. oreophila* x *oreophila* Sand Mountain)  
*S. oreophila* Georgia  
*S. oreophila* 'Boaz clone 2'  
*S. oreophila* 'Central Al'  
*S. oreophila* 'DeKalb co. Al'  
*S. oreophila* heavy veined Dekalb Co. Selfed  
*S. oreophila* H.V  
*S. oreophila* H.V sand mountain  
*S. oreophila* Mountain form  
*S. oreophila* = (*S. oreophila cv large stocky Mckeown strain* x *S. oreophila*)  
*S. psittacina*  
*S. purpurea* ssp *purpurea*  
*S. purpurea* ssp *purpurea* f *heterophylla*  
*S. purpurea* ssp *venosa*  
*S. purpurea* ssp *venosa* var *burkeii* selfed  
*S. purpurea* = (*S. purpurea* ssp *purpurea* Pakim Pond v. dark x *purpurea* ssp *venosa* var *burkii*)

*S. purpurea* mix of *ssp purpurea*, *ssp venosa* and some intergrades  
*S. purpurea* mixed *venosa /burkeii/purpurea* and intergrades  
*S. rubra ssp alabamensis*  
*S. rubra ssp gulfensis*  
*S. rubra ssp gulfensis* Anthocyanin free form  
*S. rubra ssp jonesii* anthocyanin free form  
*S. rubra ssp wherryi* yellow flower  
*S. rubra ssp wherryi* orange/yellow flower

## ***Sarracenia* simple hybrids**

*S.alata x flava*  
*S. alata copper lid x leucophylla*  
*S .alata H.V x leucophylla*  
*S. alata x leucophylla stocky*  
*S. alata x oreophila*  
*S. alata copper lid x rubra ssp wherryi*  
*S. flava x minor*  
*S. flava x oreophila*  
*S. flava x purpurea*  
*S. flava x purpurea ssp venosa* red form  
*S. leucophylla* V.large Baldwin Co. x *Flava rubricorpora* "giant red tube"  
*S.leucophylla x oreophila*  
*S. leucophylla* 'titan'x *oreophila* H.V sand mountain  
*S. leucophylla* pubescent Deer park AL x *flava var rubricorpora*, Apalachicola  
*S. leucophylla x rubra ssp jonesii*  
*S. oreophila* N.E Georgia x *leucophylla* 'Schnells ghost'  
*S. oreophila x S.minor*  
*S. oreophila x purpurea*  
*S. purpurea ssp venosa x flava* slacks maxima  
*S. purpurea ssp venosa x leucophylla*  
*S. rubra ssp wherryi* yellow flower x *flava var maxima*

## Sarracenia Complex hybrids

- S. (alata x oreophila) x leucophylla* gas station site
- S.(alata x flava maxima) x leucophylla* Baldwin Co.
- S. catesbaei x courtii* red
- S. catesbaei x flava*
- S. (catesbaei x flava maxima) x flava var burgundy*
- S.(catesbaei x catesbaei) x flava rubricorpora*
- S. (chelsonii x ( flava x catesbaei)) x S. 'Brooks hybrid'*
- S. excellens x flava var ornata* Apalachicola national forest
- S. excellens x leucophylla* Apalachicola large chunky pitchers
- S. (excellens x leucophylla white)x oreophila*
- S. excellens "loch ness"? x leuco purple/white n.fl*
- S. exornata peaches x flava var rubricorpora*
- S. (flava x alata red lid) x flava burgundy*
- S. flava x 'Brooks Hybrid'*
- S. (flava x popei) x purpurea venosa*
- S. (flava x purpurea) x (flava x leucophylla)*
- S. formosa green white x (rubra x psittacina)*
- S. Juthatip Soper x areolata*
- S. JuthatipSoper x leucophylla* red tube
- S. (leucophylla x excellens) x excellens*
- S. leucophylla x (flava x catesbaei)*
- S. (leucophylla x oreophila) x leucophylla* stocky mouth
- S. leucophylla x ( moorei x purpurea ssp venosa)*
- S. 'Lynda Butt' x (flava x alata red lid)*
- S. (minor x courtii) x excellens*
- S. (minor x oreophila) x (leucophylla x oreophila)*
- S. mitchelliana x flava var maxima* (Tall)
- S. moorei 'Brooks hybrid' x flava var ornata*
- S.moorei 'Brooks hybrid' x flava rugelli* Apalachicola
- S.((moorei x (leucophylla x flava cuprea)) x purpurea venosa var burkii*
- S. moorei* Marston clone x *moorei 'Brooks Hybrid'*
- S. moorei* red Sumatra x *courtii* red
- S. moorei* red Sumatra x (*oreophila* x *leucophylla*)
- S. oreophila* Walker clone x *moorei ' Brooks Hybrid'*

*S. purpurea x flava*, (*catesbaei* red/green forms)  
Purpurea var montana x courtii red  
*S. purpurea venosa x (minor x flava maxima)*  
*S. readii x oreophila Sand Mountain*  
*S. (rubra gulfensis x excellens) x oreophila H.V. Walker Clone*  
*S. (rubra gulfensis x leucophylla, yellow river) x (leucophylla green form x rubra*  
*ssp jonesii all green)*  
*S. Purpurea venosa x popei*  
*S. ((rubra gulfensis x excellens) x leucophylla –slack) x minor*  
*S. readii x excellens*  
*S. Willisii x flava*

*S. mixed hybrids*

*S. mixed species and hybrids*

## **Styloidium (trigger plants)**

*S. affine*  
*S. albomontis*  
*S. amoenum*  
*S. caricifolium*  
*S. crassifolium*  
*S. graminifolium*  
*S. laticifolium*  
*S. macranthum*  
*S. montanum Mount Stirling Vic*  
*S. plantagineum*  
*S. spinulosum*  
*S. tenue (brunonianum v. minor)*

*Capsella bursa-pastoris*
